Rate My Professors

Website

<http://www.ratemyprofessors.com>

Description

Rate My Professors enables college students to rank professors, providing information about the difficulty of their classes, teaching style, and other information that can be useful in deciding which classes to take. More than 19 million student-generated comments and ratings over 1.7 million professors at over 7,500 schools have been ranked to date. Rate My Professors provides a "[Frequently Asked Questions \(FAQ\)](#)" guide to help students utilize their tool in the following categories:

• Student Questions

• Professor Questions

• General Questions

• Legal FAQ

HAS RATE MY PROFESSOR SUSPENDED SERVICES DUE TO COVID-19? No.
